#### **Rhodes State College Students Earn All-Ohio Accolades**

Two Rhodes State College students will join 44 of the state's best and brightest two-year college students on the All-Ohio Academic Team. Elisha Selby of St. Marys, an Occupational Therapy Assistant (OTA) major and Brendala Anspaugh of Wapakoneta, a Human Resource Management major have been selected to the 2004 All-Ohio Academic Team. Selby received first team honors, while Anspaugh was selected for the second team.

The All-Ohio Academic Team program provides statewide recognition and opportunities for cash scholarships to outstanding two-year college students.

Selby will receive a cash scholarship of \$1,000 while Anspaugh received a scholarship of \$500. They will both be awarded an All-Ohio Academic Team medallion, certificate and pin.

To be eligible, students must be nominated by their college president to the All-USA Academic Team. Nominees must have a cumulative grade-point average of at least 3.25. Winners are selected on the basis of academic performance, demonstration of leadership, and community service involvement.

Phi Theta Kappa, an international honor society for two-year college students, started the All-State Academic Team program in 1994, building upon the success of the All-USA Academic Team program, sponsored by Phi Theta Kappa, *USA Today*, and the American Association of Community Colleges.

#### **Congratulations to Dr. Green**

A recipient of the 2003 Ohio State Lima Teaching Award, Joseph P. Green is considered a founding member of the first four-year psychology program on a regional campus. Green's strengths lie in his attention to creating a balance between and among lectures, demonstrations, discussion, and student presentations, and, as one student put it, "he puts forth an amazing effort to give students information they will need to succeed outside of the college experience." Green has been successful in getting his students interested in active research projects. As the advisor to the Psychology Club and Psi Chi, Green is dedicated to providing increased opportunities for students and he is the person students seek for information and advice, particularly about graduate school. Green received his Ph.D. in clinical psychology from Ohio University.

Faculty, staff, and students are invited to attend this year's Faculty Awards Ceremony. The event is scheduled for Tuesday, March 30th at 4:00pm in the Weigel Hall Auditorium.

Submissions for next week's *Communicator* must be in by this Wednesday at noon.
